

Hello Neighbors,

Hidden Springs, our irrigation company, is once again offering a group irrigation shut-off date and special. The date is November 5th. The price will be \$40 for irrigation, \$50 for aeration or \$80 if you get both services. Just email the webmaster@parkshorehoa.org

if you want one or both of these services by October 31. Just give us your name, address and phone number and we will forward the information to Hidden Springs.

If you are planning on Hidden Springs doing both services they will mark sprinkler heads when they shutdown your irrigation system. If you are getting the aeration service only, you will be responsible for marking your sprinkler heads. Residents will also be responsible for marking their invisible dog fence. Hidden Springs will proceed through the neighborhood one street at a time as they do not set appointment times. Please be patient as they will get to all houses on the list. If you have any questions, please call Frances Catanese @ 740-816-1464 .
